

COMPOSTING WORKSHOP

Thursday, May 23, 2024 | 7 PM-9 PM

Martinez City Hall

525 Henrietta Street, Martinez CA 94553

Join the City of Martinez Sustainability Division for a free composting workshop led by sustainability professional, Todd Sutton. Learn about City programs, State legislation related to composting, and best practices to compost at home and using your green curbside container. Participants will be entered in a raffle for a chance to win a free backyard SoilSaver composting bin. To register, use the QR code below and find “Composting Workshop” under the special events tab.
