RECITALS

- A. **WHEREAS**, on December 5, 2018, the City held a public hearing to consider, among other things, an amendment to Section 4 of the Recycling Franchise Agreement related to monitoring and reporting of oil and liquid spills originating from Grantee's vehicles; and
- B. **WHEREAS**, the City Council adopted Resolution 147-18 to reflect the amendment to Section 4 as agreed between the Parties and as set forth and memorialized herein; and
- C. **WHEREAS**, the City and Grantee wish to memorialize the amendment made to Section 4 through adoption of Resolution 147-18 by setting forth in writing a formal amendment to the Recycling Franchise Agreement to be executed by each of the Parties that reflects the changes agreed between them.

NOW THEREFORE, in consideration of the mutual promises and conditions as set forth herein, City and Grantee agree as follows:

1. Section 4 (Compliance with Laws and Regulations) of the Recycling Franchise Agreement is hereby amended to read as follows:

Grantee warrants that it will comply with all applicable laws in effect during the term of this Agreement, including implementing regulations, as they may, from time to time, be amended, specifically including, but not limited to the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. 9601 et seq., the Resource Conservation and Recovery Act, 42 U.S.C. 6901, et seq. ("RCRA"), the California Integrated Waste Management Act of 1989, and all other applicable laws of the State of California, the County of Contra Costa, ordinances of the City, the City's Source Reduction and Recycling Element, the City's Household Hazardous Waste Element, the County of Contra Costa's Countywide Integrated Waste Management Plan, the requirements of Local Enforcement Agencies and other agencies with jurisdiction relating to the services provided by Grantee under this Agreement. Grantee shall comply with all final and binding judgments

entered against Grantee regarding its services performed under this Agreement.

Grantee shall use due care to prevent vehicle oil, vehicle fuel, or other liquids from spilling during collection or transportation operations including maintenance of collection vehicles to minimize and correct any leaks. Grantee shall ensure that all liquid spills or leaked liquids or fluids are cleaned up promptly on the same day that they occur in accordance with National Pollutant Discharge Elimination System (NPDES) requirements.

Hydraulic oil, engine oil, and other spills from collection vehicles in the Franchise Area are a concern to the City. Grantee shall include as part of maintenance activities a process for tracking the number and nature of automotive spills (type of fluid, amount lost, failure point) and diagnosing the cause of those spills. Based on the results of the process, Grantee shall implement appropriate corrective actions to address issues that are contributing factors to vehicle spills (e.g., revise specifications for specific part failures, revise preventative maintenance schedule to address timing of failures), so that each occurrence is controlled and minimized.

On a quarterly basis, beginning January 1, 2019, Grantee shall provide a report to the City and California Department of Fish & Game, which includes the nature of each spill, the corrective action(s) taken, the timing of corrective action(s) taken, and the outcome, for each spill that occurred in the prior quarter.

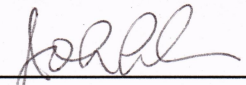

2. Except as amended and set forth in this First Amendment to Franchise (Recycling), the terms and conditions of the Recycling Franchise Agreement shall remain in full force and effect.

NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

SECTION 1 - GRANT AND ACCEPTANCE OF EXCLUSIVE FRANCHISE

A. The exclusive privilege granted by this Agreement shall apply as follows:

(1) Residential Recycling

City grants to Grantee, for the term of and in accordance with this Franchise Agreement (including all extensions or renewals), an exclusive privilege and duty to make and enter into independent arrangements with residents of single family units, and residents and/or owners of multifamily units in the City for the collection, transportation, processing and diversion of Recyclables, (including multi-family unit Recyclables, subject to Section 6 C), generated or accumulated within the City which has been placed in an authorized recycling container, in the areas covered by this Franchise Agreement, as shown on Exhibit "A" "FRANCHISE AREA" as its boundaries are now constituted or may hereafter be amended.

(a) The exclusive privilege granted in Section 1 A (1) above shall also pertain to the collection, transportation, processing and diversion of Organics.

(2) Commercial and Industrial Recycling

State Assembly Bill 341 requires the City to begin implementing a mandatory commercial recycling program by July 1, 2012. Furthermore, Section 8.18.120 of the Martinez Municipal Code requires all non-residential establishments, including without limitation all commercial and industrial use classifications, to subscribe to an approved recycling collection program. Therefore, from and after July 1, 2012, the City grants to Grantee, for the term of and in accordance with this Franchise Agreement (including all extensions or renewals) an exclusive privilege and duty to make and enter into independent arrangements with the occupants or owners of commercial, industrial, institutional, mixed use and other non-residential properties in the City for the collection, transportation, processing and diversion of Recyclables, generated or accumulated within the City which has been placed in an authorized recycling container in the areas covered by this Franchise Agreement, as shown on Exhibit "A" "FRANCHISE AREA" as its boundaries are now constituted or may hereafter be amended.

(a) The exclusive privilege granted in Section 1 A (2) above shall also pertain to the collection, transportation, processing and diversion of Organics.

B. Grantee agrees to be bound by and comply with all the requirements of this Franchise Agreement. Grantee waives any right or claim to serve any part of the City as its boundaries exist as of the date of execution of this Franchise Agreement under any prior grant of franchise, contract, license or permit issued or granted by any governmental entity.

C. In the event and to the extent that any of the following require or are amended to require that either party take certain action or desist from taking certain action that affects the promises, covenants and/or performance of the parties hereunder, then this Franchise Agreement shall be amended to provide provisions that have as their purpose the satisfaction of such requirements. Furthermore, should such amendments to this Franchise Agreement result in the Grantee having to incur additional expenses in performing its obligations hereunder, then Grantee may seek rate adjustments therefor in accordance with the procedures specified under Section 20, below.

- (1) the City's Municipal Code, the California Public Resources Code, AB 939, other applicable state and federal laws, rules and regulations promulgated thereunder, and
- (2) the Contra Costa County County-wide Integrated Waste Management Plan and the City's Source Reduction and Recycling Element and Household Hazardous Waste Element; and
- (3) any and all amendments to said laws, plans and regulations.

A person or entity transports Solid Waste or Recyclables or Organics from his/her/its own residential, commercial or industrial premises, personally or using his/her/its own vehicle and employees, or through the uncompensated services of another, for purposes of disposing of same at an authorized Disposal or Recycling Facility. Nothing herein shall be construed to allow a person or entity to hire or compensate another person or entity (not affiliated with the Grantee) to transport Solid Waste or Recyclables, or to arrange for the transport of Solid Waste or Recyclables by a person or entity (not affiliated with the Grantee) otherwise engaged in the business of collection and/or disposal of Solid Wastes or Recyclables.
- (2) Incidental Hauling of Construction and Demolition Debris. A construction or demolition contractor transports construction and demolition debris from residential, commercial or industrial premises, where such transport is limited to construction and demolition debris generated from and incidental to construction and/or demolition work performed by that contractor or a subcontractor thereof pursuant to a grading, demolition, building, remodeling or encroachment permit issued by the City, and such transport is performed using the vehicles and employees of that contractor or subcontractor. Nothing herein shall be construed to allow a contractor or their customer to hire or compensate a third party who is not otherwise performing construction or demolition work to transport construction and demolition debris.
- (3) Incidental Hauling of Landscape Waste. A gardener or landscaper transports landscape waste from residential, commercial or industrial premises, where such transport is limited to landscape waste generated from and incidental to gardening or landscape work performed by that gardener or landscaper, and such transport is performed using the vehicles and employees of that gardener or landscaper. Nothing herein shall be construed to allow a gardener, landscaper or their customer to hire or compensate a third party who is not otherwise performing gardening or landscape work to transport landscape waste.

E. This Agreement is not intended to and does not affect or limit the right of any person to sell or donate any source separated Recyclable or Organics commodity to any other person lawfully doing business within the City limits or Franchise Area provided that the recyclable commodity is separated at the source by the generator and that the person acquiring the recyclable commodity (other than the Grantee) does not receive any compensation in connection with the handling or transport of such commodity and does not collect and dispose of other Solid Wastes or Recyclables for compensation.

SECTION 6 - SERVICES PROVIDED BY GRANTEE

A. Single Family Residential Curbside Recycling

- (1) The Grantee shall collect and recycle all Recyclables placed at the curb, or other approved recycling locations, in approved recycling containers from all Single Family Unit customers from whom the Grantee presently, or during the term of this Agreement, collects solid waste in the Franchise Area. Recyclables may be commingled in the recycling container provided by the Grantee and the customer shall not be required to separate Recyclables from other Recyclables, except as provided in Section 6 A (3) below. The customer shall be required to separate recyclable material from solid waste. The Grantee shall provide residential recycling services in the manner described in Exhibit "B" attached hereto. If the Grantee fails to comply with or fails to exercise due diligence in complying with this subsection, then the default provisions as specified in Section 13 shall apply.
- (2) Distribution of Recycling Containers. Approved recycling containers shall be purchased and distributed by the Grantee to all Single Family Units for which Grantee provides solid waste collection services within the purview of this Agreement. The Grantee shall provide, to all new Single Family Unit customers, one or more recycling containers within fifteen (15) days after the Grantee has established residential solid waste collection service with these new customers. The number, nature, configuration, color, and symbols identifying said containers shall be subject to approval of the City. Without charge, the Grantee shall provide to its customers one replacement container per calendar year in those circumstances where the container has been lost, stolen, or damaged. Grantee may charge a fee to replace additional containers. The Grantee shall deliver these recycling containers to all Single Family Unit customers, and shall not require individuals to be present to accept or sign for them.
- (3) Recyclables to be Collected. Grantee shall provide commingled collection of, at a minimum, mixed paper, glass, aluminum, cardboard, chipboard (i.e. cereal and shoe boxes), newsprint, plastic food and beverage containers #1-7, tin/bimetal containers, E-waste peripherals (such as keyboards, mouse, and speakers), hardcover books, rigid plastics (such as toys, buckets, trays, and crates), plastic bags, and scrap metal/aluminum (under ten pounds per item). Additionally, Organics, Yard Waste, auto and truck batteries, motor oil, oil filters, and other designated electronic waste items (for a fee) will be collected separately from commingled Recyclables. Curbside collection of motor oil and oil filters shall be collected at Grantee's expense. Recyclables collected at curbside shall be collected, transported, and processed so as not to be contaminated with Solid Waste or other non-Recyclables.

City may require Grantee to provide curbside collection of other Recyclables when practical, if at the time the City determines, among other reasons, that markets for such materials have developed or if the City, County, or State regulations or policies require that such materials be included in the City's Recycling program. Curbside collection of additional materials may be required at the time of rate reviews. Grantee shall furnish its Single Family Unit customers with additional labeled or color coded reusable plastic containers, as necessary if such new materials are required to be

included in Grantee's duties. If the City requires that the Grantee provide curbside collection of Recyclables, other than those specified in this Section, City shall provide at least ninety (90) days notice of the requirement unless earlier implementation of the expanded recycling program is required by agencies other than the City. If Grantee decides to or is required to provide expanded curbside collection of materials other than those mentioned above, prior to expanding the service, Grantee shall distribute an informational flier with customer billing, and include an informational flier with delivery of any additional containers.

If in City's sole determination changes arise that necessitate any additions or deletions to the work described herein, including the type of items included as recyclable materials, the Grantee shall implement such additions or deletions upon direction from the City to do so. Upon implementation, the parties shall negotiate any necessary changes or amendments to the Agreement which may be necessary as a result of such additions or deletions to the work as directed by City.

- (4) Same Day Service. Grantee shall provide weekly curbside collection of recyclable materials, which shall occur on the same day as regular solid waste collection performed by the Grantee.
- (5) Sales of Recyclables. Grantee shall sell the Recyclables materials at fair market value to any company engaged in purchasing recyclable materials. City may conduct a survey of companies that purchase recyclable materials to assure that income received from the sale of recyclable materials by grantee is competitive with the market value for sale of recyclable materials by other recycling companies. Monthly records of weight and value of recyclable materials sold to any company shall be retained by the Grantee and shall be available for City review. Grantee shall keep all revenues from the sale of recyclable materials.
 - (a) City Authority to Direct. Notwithstanding any provision of this Agreement, the City retains the right, upon reasonable notice to the grantee, to direct to whom and under what conditions the Grantee must sell recyclable materials in order to assure that fair market value has been received.
 - (b) Sale of Recyclable Materials. During the term of this Franchise Agreement, City grants to Grantee the right to sell at fair market value the recyclable material that it collected as set forth herein in order to defray its operating costs incurred in performing under this Agreement.
- (6) Billing. Grantee shall bill its customers for curbside recycling services at the same time and for the same period as are applicable to and inclusive of Grantee's solid waste billings.
- (7) Pick-Up of Containers. If this Franchise Agreement is terminated for any reason, upon notice from the City, Grantee shall pick up the recycling containers it provided for the program on the last day of collection.
- (8) Advance Payment Refunds. If this Franchise Agreement expires or is terminated for any reason, Grantee shall reimburse its customers for any advance payment for service which was not provided.
- (9) Promotional and Educational Materials. Promotional and educational materials explaining the commingled curbside recycling program shall be distributed by the Grantee prior to distribution of new recycling containers. Duplicate or supplemental

promotional and educational materials explaining the commingled curbside recycling program will also be distributed by the Grantee to each customer when the recycling container is delivered to that customer. The Grantee shall, at minimum, distribute promotional and educational materials to all its solid waste customers, pre approved by the City, at least twice a year. These materials shall, at a minimum, specify all recyclable items to be collected, and shall further provide any additional information as necessary in order to satisfy the recycling goals set forth in the City's most current Source Reduction Recycling Element (SRRE). The Grantee shall, prior to distribution of the promotional and educational materials, provide the City Manager, or his/her designee, with a copy(ies) of said material. The City shall review and comment on this material within fifteen (15) days of receipt. The City reserves the authority to reject all or any portion of any said promotional material prepared by the grantee. If the City rejects any or all of said promotional material, the City reserves the right to prepare its own material to be distributed by the Grantee and Grantee shall reimburse the City for the cost of the City's promotional efforts.

- (10) Information Required. During the term of this Franchise Agreement, Grantee shall provide the City with a quarterly accounting of participating Single-Family Units, the volume of each of the recyclable materials collected, segregated by type, and accounting of non-recyclable materials produced during processing of recyclable materials. On March 1, June 1, September 1, and December 1 of each year during the term of this Agreement, Grantee shall provide the City with an accounting for the commingled curbside recycling program. Said accounting shall include (1) the number of participating households; (2) the volume of each of the materials collected; (3) the volume of non recyclable materials disposed of at the landfill; (4) any additional information required by the City to enable the City to determine any reduced garbage collection and disposal volume, and percent reduction in residential waste stream.
- (11) Establishment of Fees. The fees described in Exhibit "C" may not be charged to any Single-Family Unit customer until recycling containers have been provided and recycling service for that household has been established.
- (12) City's Authorized Recycling Agent. Upon implementation, the parties shall negotiate changes or amendments to the Agreement which may be necessary as a result of such additions or deletions to the work as directed by City.

herein, the parties hereto agree that: (i) the City has the right to direct the wastestream to be disposed of or diverted at any solid waste facility or in any manner, respectively, the City may designate; (ii) the City has the right to market and process Recyclables, and (iii) the City has the right to direct the wastestream to be disposed of or diverted at any transfer or processing station the City may designate.

B. City's Jurisdiction

The parties hereto agree that City currently has jurisdiction to regulate the collection, removal, handling and disposal of all solid wastes generated in the Franchise Area. The intent of this Agreement is to regulate residential, commercial and industrial solid waste handling services. However, this Agreement does not regulate the collection, removal and disposal of infectious waste, hazardous waste or septage, irrespective of origin.

- (1) Throughout the term of this Agreement, unless the City gives notice as provided for herein and subject to the terms of this Agreement, it shall be the Grantee's sole responsibility and duty to dispose of the solid waste collected by virtue of this Agreement and do so in a safe manner and in compliance with all federal, state and local laws and regulations. In this connection, the Grantee agrees that it shall dispose of all solid waste collected in the Franchise Area at a solid waste facility that is fully licensed and appropriately permitted and, to Grantee's knowledge, is not in material violation of any health, safety or hazardous materials laws, rules, regulations or orders.

By entering into this Agreement, the City has temporarily waived its right to salvage and has delegated such to the Grantee; and such waiver and delegation shall continue until notice in writing by the City to the contrary is given. In the event the City independently wishes to exercise its right to salvage, the City shall give in writing to the Grantee notice of its intent and said right shall commence and accrue to the City ninety (90) days from the date of said notice. The salvage rights set forth in this Section specifically are intended to refer to salvage operations once the solid waste is placed by the generator in the waste stream.

C. Effect of City's Control

- (1) Notwithstanding anything to the contrary stated above in this Section 7, should the City exercise the rights described herein and through that exercise direct Grantee to dispose of solid waste at a specific landfill or landfills, then the City shall indemnify and hold Grantee harmless (i) from any increased operations costs incurred by Grantee arising out of the disposal of the City's solid waste at the landfill designated by the City and (ii) from any liabilities and damages (including clean-up and remediation costs connected with hazardous waste or materials releases) arising out of the disposal of the City's solid waste at the landfill designated by the City, except that this indemnification and hold harmless provision shall not apply to liabilities and damages caused by the negligence of Grantee.
- (2) Grantee shall indemnify and hold the City harmless from any liabilities and damages (including but not limited to clean-up and remediation costs connected with hazardous waste or hazardous materials releases) arising out of disposal of City's wastestream at the Keller Canyon Landfill or any other landfill not directed by City.

All interest shall be paid to the Grantee.

- (1) After thirty (30) days following Grantee's failure to pay the City an amount owing under this Franchise Agreement plus interest at the rate of ten percent (10%) per annum, the cash bond may be accessed by the City upon five (5) days' prior written notice to the Grantee for purposes including, but not limited to:

- (2) The Grantee shall deposit a sum of money sufficient to restore the cash bond to the original amount within thirty (30) days after notice from the City that any amount has been withdrawn from the cash bond. The amount of the cash bond shall be adjusted annually by the annual percentage December to December change in the Consumer Price Index for all Urban Consumers for the San Francisco-Oakland-San Jose region ("CPI"). It is acknowledged that as of November 1, 2015, Grantee had deposited a cash bond in the amount of \$147,817.84 in conformance with this Agreement.

The term of this Franchise Agreement shall commence immediately upon execution and terminate on January 5, 2023.

SECTION 11 - FRANCHISE TRANSFERABLE: CITY CONSENT REQUIRED

A. The franchise granted by this Franchise Agreement shall not be transferred, sold, hypothecated, sublet or assigned, nor shall any of the rights or privileges herein be hypothecated, leased, assigned, sold or transferred, either in whole or in part, nor shall title thereto, either legal or equitable, or any right, interest or property therein, pass to or vest in any person, except the Grantee, either by act of the Grantee or by operations of law, without the prior written consent of the City expressed by resolution. Any attempt by Grantee to assign this franchise without the consent of City shall be void.

B. The City shall not unreasonably withhold its consent to a transfer of the franchise granted by this Franchise Agreement. The City may impose reasonable conditions of approval on a Franchise Agreement transfer, including, but not limited to conditions requiring acceptance of amendments to the City's Municipal Code and this Franchise Agreement, and the payment of a transfer fee to the City.

C. The term "assignment" shall include any dissolution, merger, consolidation or other reorganization of the Grantee, which results in change of control of the Grantee, or the sale or other transfer by probate proceeding or otherwise of a controlling percentage of Grantee's capital stock to a person not a shareholder on the date of the execution of this Agreement.

D. City consent is required for any change in control of Grantee. "Change in control" shall mean any sale, transfer or acquisition of Grantee. If Grantee is a corporation, any acquisition of more than ten percent (10%) of Grantee's voting stock by a person, or group of persons acting in concert, who already owns less than 50% of the voting stock, shall be deemed a change in control; provided, however, any transfer of ownership of any or all of the stock or assets of Grantee to another wholly-owned subsidiary of Allied Waste Systems, Inc. shall not constitute a change in control.

E. Any change in control of the Grantee occurring without prior City approval shall constitute a material breach of this Franchise Agreement.

F. In the event the Grantee herein attempts to assign or subcontract this Agreement or any part hereof or any obligation hereunder, the City shall have the right to elect to terminate this Agreement forthwith, without suit or other proceeding.

G. No interest of the Grantee in this Agreement shall be assignable by operation of law. Each or any of the following acts shall be considered an involuntary assignment providing the City with the right to elect to terminate the Agreement forthwith, without suit or other proceeding:

- (1) If Grantee is or becomes insolvent, or makes an assignment for the benefit of creditors;
- (2) If Writ of Attachment or Execution is levied on this Agreement or other property of Grantee such that would affect Grantee's ability to perform its duties and obligations under this Agreement;
- (3) If in any proceeding to which Grantee is a party, a Receiver is appointed with authority to take possession of Grantee's property such that would affect Grantee's ability to perform its duties and obligations under this Agreement;
- (4) In the event of a probate proceeding where the rights of Grantee under the Agreement would pass to another individual or other individuals.

H. The City's consent to an assignment or change of control may be withheld if inter alia, the following conditions are not satisfied:

- (1) The Grantee shall give the City at least ninety (90) days advance written, notice of the Grantee's intent to sell, transfer or assign this Agreement. As part of that notice, the Grantee shall provide to the City the following written information:
 - (a) The name, address, and telephone number of the proposed assignee.
 - (b) The character of the legal entity owning or controlling the assignee, and the names, addresses and telephone numbers of all principals, partners, and/or

shareholders thereof, as the case may be.

- (c) A copy of any and all purchase and assignment agreements containing, at a minimum, the terms and conditions (but excluding the financial terms) of the sale, transfer or assignment of this Agreement and of Grantee's solid waste and recycling business.
- (2) The proposed transferee must be shown, by credible and sufficient evidence, to be qualified, by financial condition, background and experience to be able to fully assume and satisfactorily perform all of the Grantee's obligations hereunder, and, particularly, to be able to perform under this Agreement in a fashion that will assure the City of complying with AB 939 and its SRRE.
- (3) Grantee cannot be in default under any of the material terms and conditions hereof.
- (4) The transferee must be willing to, in writing, assume all of the obligations hereunder.

SECTION 12 - FRANCHISE TRANSFER: FEES

A. Any application for a franchise transfer shall be made in a manner prescribed by the City Manager. The application shall include a transfer fee in an amount to be set by City by Resolution of the Council, to cover the anticipated cost of all direct and indirect administrative expenses including consultants and attorneys, necessary to adequately analyze the application and to reimburse City for all direct and indirect expenses. In addition, the Grantee shall reimburse the City for all costs not covered by a transfer fee in an amount not to exceed Ten Thousand Dollars (\$10,000.00). City's request for reimbursement shall be supported with evidence of the expense or cost incurred. The applicant shall pay such bills within thirty (30) days of receipt.

B. These franchise transfer fees are over and above any franchise fees specified in this Franchise Agreement and shall not be recoverable costs for rate setting purposes.

SECTION 13 - TERMINATION

A. If the City Manager determines that the Grantee's performance pursuant to this Franchise Agreement has not been in conformity with the provisions of this Franchise Agreement, the City Manager may advise Grantee in writing of such deficiencies ("Notice of Default"). The City Manager may, in said Notice of Default, set a reasonable time within which correction of all such deficiencies is to be made. Unless otherwise specified, a reasonable time for correction (or the commencement and diligent pursuit of measures reasonably calculated to correct the deficiencies within a reasonable period of time) shall be sixty (60) days from the receipt by Grantee of the Notice of Default. Any such Notice of Default shall expressly refer to Grantee's right to appeal the Notice of Default within thirty (30) days of receipt of the Notice of Default. The Grantee shall respond to such Notice of Default in writing within ten (10) calendar days of receipt of the Notice of Default. Said response shall detail how and when Grantee intends to remedy the default. The City Manager shall review the Grantee's response and decide whether the response of Grantee is sufficient to remedy the default and shall notify the Grantee of that decision, in writing ("City Manager Decision"). The City Manager Decision shall be final and binding on Grantee unless the Grantee files a "Notice of Appeal" with the City Manager within thirty (30) days of receipt of the City Manager Decision. Within ten (10) working days of receipt of a Notice of Appeal, the City Manager may meet and confer with Grantee regarding any issues in dispute, or refer the appeal to the City Council for proceedings in accordance with Section 13 B - C, below. In the event the City Manager determines to meet and confer with the Grantee and the matter is not resolved thereby, the City Manager shall set the appeal for public hearing before the City Council in accordance with Section 13 B - C, below.

B. The City Council, in such case, may meet and confer with Grantee or shall set the matter

for public hearing. In the event that the City Council determines to meet and confer with Grantee and the matter is not resolved thereby, the City Council shall set the matter for public hearing. The City Council shall give Grantee, and any other person requesting the same, fourteen (14) days written notice of the time and place of any hearing set pursuant to this paragraph. At the hearing, the City Council shall consider the report of the City Manager indicating the deficiencies, and shall give the Grantee, or its representatives and any other interested persons, a reasonable opportunity to be heard.

C. Based on the evidence presented at the public hearing, the Council shall determine by resolution whether the Franchise Agreement should be terminated. If the evidence presented at the public hearing establishes that the Grantee has committed a material breach of this Franchise Agreement, the City Council shall make written findings supporting its determinations and, based thereon, may elect to terminate the Franchise Agreement, reduce the rates then being charged by the Grantee or take other appropriate action regarding the Franchise Agreement or Grantee. Grantee's performance under its Franchise is not excused during the period of time prior to the City Council's final determination as to whether such performance is deficient.

D. This right to terminate, reduce rates and/or to take any other appropriate action is in addition to any other rights of City upon a failure of Grantee to perform its obligations under this Franchise Agreement.

E. The City, subject to the procedures set forth in Section 13 A - C, further reserves the right to terminate Grantee's Franchise, or reduce rates or to take other appropriate action in the event (a) any of the following occurs and (b) Grantee fails to commence efforts to timely cure any such deficiencies (except in the case of intentional fraud described in subparagraph 1, in which case no cure period shall apply) within the time period specified in Section 13 A:

- (1) If the Grantee practices, or attempts to practice, any intentional fraud upon the City, or makes any intentional material misrepresentations to the City in any of the reports required by this Franchise Agreement.
- (2) If the Grantee becomes insolvent, unable to unwilling to pay its debts, or upon listing of an order for relief in favor of Grantee in a bankruptcy proceeding.
- (3) If the Grantee fails to provide or maintain in full force and effect, the workers compensation, liability and indemnification coverages or cash bond as required by the Franchise Agreement.
- (4) If the Grantee willfully violates any final and binding orders or rulings of any regulatory body having jurisdiction over the Grantee relative to this Franchise Agreement; provided, however, that the Grantee may contest any orders or rulings by appropriate proceedings conducted in good faith, in which case no breach of the Franchise Agreement shall be deemed to have occurred.
- (5) If the Grantee ceases to provide collection service as required under this Franchise Agreement over all or a substantial portion of its Franchise Area for a period of seven (7) days or more, for any reasons within the control of the Grantee.

- (8) Multiple or repeated breaches, or a pattern of breaches and subsequent attempts to cure said breaches by Grantee notwithstanding whether any of the breaches are

ultimately cured by the Grantee.

G. Upon the occurrence of a material breach and the declaration of such and termination of this Agreement by the City Manager or City Council, as the case may be, this Agreement and the franchise granted thereunder shall be of no further force and effect, excepting those provisions concerning City's right to temporarily assume Grantee's obligations. City then shall be free to enter into whatever other arrangements are deemed justified and necessary for the collection, removal and disposal of solid waste within the Franchise Area.

SECTION 14 - RIGHTS OF CITY TO PERFORM DURING EMERGENCY

A. Should Grantee, for any reason whatsoever, except the occurrence or existence of any of the events or conditions set forth in Section 26 A, "Force Majeure," below, refuse or be unable to collect, transport and dispose of any or all the Recyclables which it is obligated under this Franchise Agreement to collect, transport and dispose of for a period of more than seventy-two (72) hours, and if as a result thereof, Recyclables should accumulate in City to such an extent, in such a manner, or for such a time that the City Manager in the exercise of his or her sole discretion, after consultation with City and County health officials should find that such accumulation endangers or menaces the public health, safety or welfare, then in such event City shall have the right, upon twenty-four (24) hour prior written notice to Grantee, during the period of such emergency, to contract on a temporary basis with third parties to collect and transport any and all Recyclables which Grantee would otherwise be obligated to collect and transport pursuant to this Franchise Agreement.

B. Grantee agrees that in such event it will fully cooperate with City and its third-party contractor to effect such a transfer of operations in as smooth and efficient a fashion as is practicable.

C. All costs, fees, rates and other expenses incurred by the City and/or its third-party contractor that exceed those in effect or being incurred or which would have been incurred had no such emergency arisen shall be the responsibility of the Grantee and shall be paid to the City within 30 days of Grantee's receipt of written notice to so pay.

SECTION 15 – PRIVACY

A. Grantee shall use its best efforts to observe and protect the rights of privacy of customers. Information identifying individual customers, or the composition or contents of a customer's refuse shall not be revealed to any person, private agency or company, unless upon the request of federal or state law enforcement personnel, the authority of a court of law, by statute, or upon valid authorization of the customer. This provision shall not be construed to preclude Grantee from preparing, participating in, or assisting in the preparation of waste characterization studies or waste stream analyses which may be required by AB 939 or any other reports requested by the City under the Franchise Agreement or required or requested by any governmental agency.

B. Grantee shall not market or distribute outside the normal course of its business, mailing lists with the names and addresses of customers.

City shall not make or retain copies or photocopies containing information set forth in Grantee's confidential financial and business records pertaining to the establishment of rates and payment of franchise fees without executing a Confidentiality Agreement providing that City shall hold and keep such copies and photocopies confidential. The Confidentiality Agreement shall be negotiated in good faith between the City and Grantee and commemorated in a separate legally binding document prior to any subsequent rate increase. Any data which the Grantee seeks to be excluded from provisions of the California Public Records Act or any similar federal or state law shall be clearly identified as such by Grantee with the basis for such exclusion clearly specified. In the event the City receives a request under the Public Records Act or any similar federal or state law, or by subpoena, the City shall notify Grantee to permit Grantee to object to the release of the information requested or subpoenaed. In such case, the City shall in its discretion provide public access to said information according to law or tender the defense of any claims made against the City concerning said information to Grantee. Prior to releasing any information pursuant to this paragraph, the City shall make a good faith effort to notify Grantee of the intended release.

C. Should any examination or audit of Grantee's records reveal an underpayment of any fee required under this Franchise Agreement, the amount of such underpayment shall become due and payable to City not later than thirty (30) days after written notice of such underpayment is sent to Grantee by City. Should an underpayment of more than three percent (3%) be discovered, Grantee shall bear the entire cost of the City's audit or examination and said cost shall not be recoverable through rate setting.

D. The information required by this Section shall pertain to Grantee's operations covered and regulated by this Agreement, and nothing contained herein shall require the Grantee to provide the City with information pertaining to the Grantee's operations which are not regulated by the City, except in conformance with this Section.

E. The City and/or its agents may examine Grantee's books, records and financial statements pertaining to operations not regulated by the City for the sole purpose of gathering information necessary to allow the agents to ascertain whether income, expenses, assets and liabilities are reasonably and consistently allocated among operations regulated by City and those not regulated by the City. Grantee shall obtain City's written approval of its method of segregating its financial records between City-regulated and non-City regulated operations.

F. Information gained from examination of records pertaining to operations not regulated by the City shall be treated by the City and its agents as confidential information, except as may otherwise be required by state or federal law.

G. For review of books and other financial records necessary to verify the Grantee's income, expenses, assets and liabilities, "Agent" shall mean an independent Certified Public Accountant, public accountancy firm or designated City employee. For all other information or records, including the results of financial verification, "Agency" shall mean any consultant designated by the City or City employees.

H. claims made against the City concerning said information to Grantee. Prior to releasing any information pursuant to this paragraph, City shall make a good faith effort to notify Grantee of the intended release.

I. E. Monetary Charges For Untimely Report Submittal

The parties agree that at the time of execution of this Franchise Agreement between the City of Martinez and Allied Waste Systems, Inc., d.b.a. Allied Waste Services of Contra Costa County and d.b.a. Republic Services of Contra Costa County (Grantee), it is not possible to quantify all of the damages accruing to City by reason of the Grantee's future failure to timely submit the reports and submittals specified in this Section 17. The City and Grantee therefore agree that in the event Grantee fails to timely submit the reports required under this Section 17 of the Franchise Agreement, after receipt of written Notice of Non-Compliance with the Franchise Agreement as specified in subsection E (1) below for failing to do so, the City Manager may assess Grantee, subject to subsection E (2) immediately below, monetary charges of Two Hundred Dollars (\$200.00) per day for each calendar day past the due date specified in the Notice of Non-Compliance that the report(s) are not submitted. The maximum charge which may be assessed for a report not being timely submitted is Ten Thousand Dollars (\$10,000.00). Notwithstanding anything to the contrary above, assessment of said charges shall be without prejudice to the City's right to compel Grantee to indemnify and defend the City for any consequential damages resulting from such nonperformance, including without limitation any monetary charges assessed against the City by the California Department of Resources, Recycling and Recovery (CalRecycle).

- (1) Written Notice: City shall provide Grantee with a Notice of Non-Compliance with Franchise Agreement ("Notice of Non-Compliance") upon the failure of Grantee to timely submit any report required by the provisions of Section 17 of his Franchise Agreement. The Notice of Non-Compliance shall state that the Grantee is in non-compliance with the applicable report submittal provisions of Section 17 of the Franchise Agreement, and provide a reasonable time, no less than twenty (20) calendar days from the date of the Notice of Non-Compliance, within which the report(s) must be submitted. The City Manager may extend the time specified in the Notice of Non-Compliance for Grantee to submit the required report(s) upon written request of the Grantee. Any request of the Grantee for an extension of time to submit the report(s) must be submitted to the City Manager in writing at least five (5) days prior to the

submittal date specified in the Notice of Non-Compliance.

- (2) Appeal To City Council. In the event that Grantee does not agree with the assessment of monetary charges by the City Manager for Grantee's failure to submit the required reports as specified in Section 17 and as set forth in the Notice of Non-Compliance, Grantee may appeal the assessment of monetary charges to the City Council. Grantee must file a Notice of Appeal with the City Clerk within thirty (30) days of receipt of the City Manager's determination that monetary charges should be assessed for failure to comply with the date as specified in the Notice of Non-Compliance.
- (3) Appeal Hearing. The appeal hearing shall be limited to the issue of whether the assessment of monetary charges pursuant to this subsection is justified based on the facts and circumstances of the matter on appeal. The Council shall receive a report from the City Manager and shall give the Grantee and/or its representatives a reasonable opportunity to be heard and to present evidence to the City Council. The City Council shall thereafter make a written determination with respect to the assessment of monetary charges. Grantee shall pay to the City all monetary charges imposed hereunder within ten (10) working days after the date of the Council's decision. Amounts owed hereunder shall accrue interest at the rate of 10%-per annum from the date due until fully paid. If said charges are not fully and timely paid, the City may proceed against the performance bond required by this Agreement in addition to exercising any other remedy it may have hereunder or at law or in equity.
- (4) Failure to Report After Monetary Charges. In the event that Grantee fails to provide the requisite report(s) notwithstanding the City's assessment of and Grantee's payment (or nonpayment) of monetary charges, then City may proceed in accordance with the provisions of Section 13. The refusal, failure or neglect of the Grantee to file any of the reports required, or to provide required information to City or the intentional inclusion of any materially false or misleading statement or representation made knowingly by the Grantee shall be deemed a material breach of the Franchise Agreement, and shall subject the Grantee to all remedies, legal or equitable, which are available to the City under the Franchise Agreement, including, but not limited to, those specified in Section 13.

SECTION 18 - ANNUAL REVIEW OF PERFORMANCE AND QUALITY OF SERVICE

A. From time to time, at its sole discretion, City may examine Grantee's operation in order to evaluate whether or not the Grantee is operating at a satisfactory level of efficiency and customer satisfaction.

Grantee agrees to cooperate in any such examination and shall permit City representatives to inspect, at Grantee's principal place of business, such information pertaining to Grantee's obligations hereunder as City may require, including, but not limited to, such things as customer inquiry records, collection routes and equipment records. Access to Grantee's records shall be subject to Section 16.

B. At City's sole option, within ninety (90) days of the first anniversary of the effective date of this Franchise Agreement, and each year thereafter throughout the term of the Franchise Agreement, City may hold a public hearing at which the Grantee shall be present and shall participate, to review the Grantee's performance and quality of service. The reports required by this Franchise Agreement regarding customer complaints shall be utilized as the basis for review. In addition, any customer may submit comments or complaints during the review meetings, either orally or in writing, and these shall be considered.

C. Within thirty (30) days after the conclusion of the public hearing, City shall issue a report with respect to the adequacy of performance and quality of service. If any non-compliance with the Franchise is found, City may direct Grantee to correct the inadequacies or initiate proceedings in accordance with Section 13 above.

D. Grantee shall provide prompt, efficient, continuous and professional service to its customers.

E. Upon the request of the City, as part of the Annual Review of Performance described above, and not less than six (6) months prior to Grantee's notice of contract renewal, assignment or extension of term, Grantee shall conduct a survey or surveys of all customers to determine their satisfaction with Grantee's service, including, without limitation, response to customer complaints. The survey methodology, format and content shall be subject to the prior review and approval of the City Manager, or his/her designee. A copy of the survey results shall be sent to the City within sixty (60) days of completion of the survey. Nothing in this paragraph shall limit the right of the City to conduct additional surveys. The Grantee shall cooperate with the City in such cases.

F. Upon initiation of service, and at least once a year, Grantee shall send or deliver to its customers information concerning the conditions of service, including, but not limited to, rates, fees, charges, service options, payment options, discounts (if any), days of collections, the amount and manner of refuse to be collected, service level and inquiry/complaint procedures, including the name, address and local telephone number of Grantee. The form and content shall be subject to the review and approval of the City Manager or his/her designee.

SECTION 19 - SYSTEM AND SERVICES REVIEW

A. At City's sole option, City may hold a public hearing on or about the first anniversary date of the Franchise Agreement in which it reviews the collection systems and services. Subsequent system and services review hearings may be scheduled by City each two (2) years thereafter. It is City's intent to conduct any system and services review concurrently with any Annual Review of Performance and Quality of Service as provided for in Section 18, above.

B. Sixty (60) days after receiving notice from the City, Grantee shall submit a report to City indicating the following:

- (1) All solid waste collection and recycling services reported in solid waste collection and recycling industry trade journals that are being commonly provided on an operational basis, excluding tests and demonstrations, to communities in the United States with comparable populations, that are not provided by Grantee to City; and
- (2) Changes recommended to improve the City's ability to meet the goals of AB 939;
- (3) Any specific plans for provision of such new services by the Grantee along with the estimated expenses and adjustments to rates necessary to compensate Grantee for providing such services, or a justification indicating why Grantee believes that such services are not feasible for the franchise area; and
- (4) A capital and equipment purchasing and improvement plan, covering at least the

following two years, in which is described, among other things, the nature of the capital and equipment which Grantee proposes to acquire, estimated costs of same and the likely effect said plan will have on rates.

C. Topics for discussion and review at the system and services review hearing shall include, but shall not be limited to, services provided, customer complaints, rights of privacy, amendments to the Franchise Agreement, developments in the law, new initiatives for meeting or exceeding AB 939's goals and regulatory constraints.

D. City and the Grantee may each select additional topics for discussion at any system and services review hearing. The Grantee agrees to cooperate in any such examination and shall provide for inspection to the City or its designated representatives, at the Grantee's principal place of business, such information as the City may require, including but not limited to, such things as collection routes and equipment records.

E. Not later than sixty (60) days after the conclusion of each system and services review hearing, City shall issue a report. The report shall summarize the systems and services review hearing and address services not being provided to City that are considered technically and economically feasible by City. City may require Grantee to provide such services within a reasonable time, for reasonable rates and compensation.

Grantee shall provide the services described in this Franchise Agreement for the rates specified in Exhibit "C." The rates specified in Exhibit "C" shall be effective as of January 1, 2011, or later if specified therein, and any adjustments thereto were made in accordance with the Rate Setting Process and Methodology Manual for Solid Waste Charges dated March 2011 and approved May 4, 2011 ("Rate Setting Manual"). The rates specified in Exhibit "C" shall include the implementation of all the services described in Section 6 and Exhibit "B" hereto, as well as the services described in Section 6 and Exhibit "B" to the Restated and Amended Franchise Agreement Between City of Martinez and Republic Services of Contra Costa County (Solid Waste) of even date. Unless otherwise stated, the cost of the services provided by Grantee are assumed to be recovered as part of the rate base.

(2) City's Powers

Except as provided under the "Dispute Resolution" provision of the Rate Setting Manual), the City Council shall review, and in accordance with the methodology as set forth in the Rate Setting Manual, approve adjustments to rates and charges assessed by Grantee for any and all services and activities it performs or engages in the Franchise Area. That only some of Grantee's services and activities are rate-regulated by this Franchise Agreement shall not be construed as a waiver of the City's rights to regulate the rates or charges assessed by Grantee for services covered by this Franchise Agreement.

B. Rate Regulation Procedures

During the term of this Agreement, residential, commercial and industrial solid waste and recycling collection rates will be regulated and adjusted in accordance with the Rate Setting Manual. A true and correct copy of the Rate Setting Manual is attached hereto as Exhibit "D" and hereby incorporated by reference as though fully set forth herein.

C. Resolution of Issues Regarding the Rate Regulation

Except as provided under the "Dispute Resolution" provision of the Rate Setting Manual, any issue regarding rates, or the computation thereof, or any other question regarding Grantee's reimbursement for fees, special services or extraordinary costs described in Exhibit "C," shall be decided by the City Council or the arbitrators under the Rate Setting Manual, as the case may be. The rates in effect at the time any issue or dispute is submitted to the City Council shall remain in effect pending resolution of any issue or dispute. The effective date of any dispute resolution, whether retroactive or prospective, shall reasonably be determined by the City Council or the arbitrators appointed under the Rate Setting Manual, as the case may be.

D. Billing and Payment

- (1) Grantee shall bill all customers for all services, whether regular or special. Grantee shall provide bills showing, in one amount, all charges for all classifications of services. However, the charges for late payments shall be separately shown. The Grantee shall collect, for City, AB 939 fees, but shall not designate that portion of a customer's bill attributable to the franchise fee collected by Grantee for City, as a separate item on a customer's bills. Billings may be made every two months (and if in advance, for no more than two (2) months) for all services to residential customers.
- (2) City may, at City's sole option, upon such terms and conditions as may be mutually agreed upon between the parties, elect to bill residents for solid waste collection. If City elects to do so, mutually agreed upon guidelines will be established and amended into this Agreement. The portion of the solid waste collection rates paid to Grantee which is attributable to billing for services shall be assigned to City.

E. Delinquent Accounts

Grantee may discontinue service as set forth in this Section. Persons who have not remitted required payments within thirty (30) days after the date of billing shall be notified on forms approved by the City. Said forms shall contain a statement that services may be discontinued fifteen (15) days from the date of notice if payment is not made before that time. Upon payment of the delinquent fees as set forth in Exhibit "C," Grantee shall resume collection on the next regularly scheduled collection day.

F. Refunds

Grantee shall refund to each customer, on a pro rata basis, any advance service payments made by such customer for service not provided when service is lawfully discontinued by the customer or for service not provided by Grantee due to no fault of the customer.

G. Bills Paid Locally

At its sole cost, Grantee shall establish a method by which customers may pay bills at a minimum of one location located in the Downtown area of the City, Monday through Friday, excluding holidays. Currently, the approved location is Char's Flower Shoppe, 635 Main Street,

All vehicles used by Grantee under this Franchise Agreement shall be registered with the Department of Motor Vehicles of the State of California, shall be kept clean and in good repair, and shall be uniformly painted. Solid waste collection vehicles shall be washed such that they are maintained in a clean and sanitary condition. Grantee's name, telephone number and vehicle number shall be visibly displayed on its vehicles. Loads shall be kept completely covered at all times except when material is being loaded or unloaded or when vehicles are en route in the process of collection. Collection vehicles shall be designed and operated while en route in such a manner as to prevent solid waste and leachate from leaking, escaping or spilling. Any spillage of materials shall be immediately cleaned up by Grantee at Grantee's sole expense. The noise level generated by compaction vehicles using compaction mechanisms during the stationary compaction process shall be such that it does not unreasonably interfere with the quiet enjoyment of nearby properties. Grantee shall submit to City, annually, a certificate of vehicle noise level testing of all vehicles by an independent testing entity. The equipment of Grantee used under this Franchise Agreement shall be subject to inspection by City on a semiannual basis but shall not be subject to any permit fees therefor.

Notwithstanding the generality of the forgoing, Grantee's equipment shall at all times be in conformance with the City's Municipal Code provisions applicable thereto.

B. At least annually, the Grantee shall provide the City a written list of all equipment (including trucks, processing equipment and containers) being used within the City's limits, including make and model, age, mileage, type of vehicle, etc.

SECTION 22 - PUBLIC ACCESS TO GRANTEE

The office shall be open, at a minimum, from 8 a.m. to 4:30 p.m. on all business/collection days. The Grantee shall also maintain telephone services with a number which does not involve a toll call from within the City. The average hold time on customer calls should not exceed 60 seconds. The Grantee shall provide either a representative; telephone answering service; or recorded message (with an emergency telephone number available) to receive customer inquiries during those times when the office is closed. Call back messages left on a business/collection day before noon shall be returned by the end of the same day. Calls received after noon or after normal business hours shall be returned before noon of the next business/collection day. Grantee shall maintain the capability of responding to telephone calls: (1) in English and such other languages as City may direct; and (2) through telecommunications device for the deaf (TDD) services. Grantee shall install telephone equipment sufficient to handle the volume of calls typically experienced on the busiest days and such telephone equipment shall be capable of recording the responsiveness to each call.

B. Service Complaints

- (1) All customer complaints shall be directed to Grantee. Grantee shall record all complaints received by mail, by telephone or in person (including date, name, address of complainant and nature of complaint). Grantee agrees to use its best efforts to resolve all complaints by close of business of the second business (waste collection)

day following the date on which such complaint is received. Service complaints may be investigated by the City's Solid Waste and Recycling Coordinator ("City Coordinator"), or his/her designee. Unless a resolution satisfactory to the complainant, the Grantee and the City Coordinator is reached, the complainant may refer the matter to the City Manager or his/her designee for review.

- (2) Grantee will maintain records listing the date of customer complaints, the customer, describing the nature of the complaint or request, and when and what action was taken by the Grantee to resolve the complaint. All such records shall be maintained for a period of twenty-four (24) months and shall be available for inspection by the City.

C. Government Liaison Person

The Grantee shall designate a "government liaison person" who shall be responsible for working with the City Coordinator to resolve consumer complaints. Unless a resolution satisfactory to the complainant, the Grantee and the City Coordinator is reached, the complainant may refer the matter to the City Manager or his/her designee for review.

D. Regular Meetings with City

At least every semiannually, or as often as requested by the City, Grantee shall meet with the City at City Hall to discuss matters of mutual concern including but not limited to, problems in Grantee's service, compliance with AB 939 and future planning. The person attending these meetings on behalf of Grantee shall be vested with sufficient authority to make decisions binding on Grantee.

SECTION 23 - CUSTOMER COMPLAINTS

A. The Grantee shall notify customers of this complaint arbitration procedure at the time customers apply for service, and subsequently, annually.

B. A customer dissatisfied with Grantee's decision regarding a complaint may ask the City to review the complaint. To obtain this review, the customer must request City review within thirty (30) days of receipt of Grantee's response to the complaint, or within forty-five (45) days of submitting the complaint to the Grantee, if the Grantee has failed to respond to the complaint. The City may extend the time to request its review for good cause.

C. The City Manager shall determine if the customer's complaint is justified, and if so, what remedy, if any, shall be imposed. The remedy under this Section shall be limited to a rebate of customer charges related to the period of breach of any of the terms of this Franchise Agreement.

SECTION 24 - SERVICE EXCEPTIONS: HAZARDOUS WASTE NOTIFICATIONS

A. The parties hereto recognize that federal, state and local agencies with responsibility for defining hazardous waste and for regulating the collection, hauling or disposing of such substances, are continually providing new definitions, tests and regulations concerning these substances. Under this Agreement, it is Grantee's responsibility to keep current with the regulations and tests on such substances, to identify such substances and to comply with all federal, state and local regulations concerning such substances. Grantee shall make every reasonable effort to prohibit the collection and the disposal of hazardous waste in any manner inconsistent with applicable law.

B. When Recyclables are not collected from any approved recycling container, Grantee shall notify its customer why the collection was not made and shall attach tags approved by the City to the Recyclables or waste not so collected which clearly identify the reasons for such non-

collection.

C. Grantee has represented to City that Grantee will carry out its duties to notify all agencies with jurisdiction, including the California Department of Toxic Substances Control and Local Emergency Response Providers, and, if appropriate, the National Response Center, of reportable quantities of hazardous waste, found or observed by Grantee in solid waste anywhere within the City, including on, in, under or about City property, including streets, easements, rights of way and city waste containers. In addition to other required notifications, if Grantee observes any substances which it or its employees reasonably believe or suspect to contain hazardous wastes unlawfully disposed of or released on City property, including streets, storm drains, or public rights of way, Grantee also will immediately notify the City Manager, or the City Manager's designee.

D. Grantee shall conduct visual surface inspections, in accordance with its current operating practices, of all solid wastes that it collects, transports and/or disposes pursuant to this Franchise Agreement for the purpose of discovering, identifying and refusing to collect, transport and dispose of hazardous wastes or materials.

E. Household Hazardous Waste Program

Except as provided in this subsection 24 E, Grantee shall not collect, handle, process, transport, arrange for the transport of or dispose of hazardous waste pursuant to this Franchise Agreement. Notwithstanding the immediately preceding sentence to the contrary, the Grantee shall provide hazardous waste materials handling in accordance with the program it is presently offering, which is described in Section 6 A (3) of this Franchise Agreement and Exhibit "B".

SECTION 25 - INDEMNIFICATION AND INSURANCE

A. Indemnification of City

- (1) Grantee shall defend with counsel reasonably acceptable to the City and indemnify and hold harmless the City from and against any and all liabilities, costs, claims and damages which are caused by Grantee's failure to comply with the laws described in Section 4, including but not limited to liabilities, costs, claims and damages described in Section 7 D (2), but excluding liabilities, costs, claims and damages pertaining to hazardous waste and materials not described in Section 7 D (2).
 - (a) The City takes the position that the former franchise agreement with Martinez Sanitary Service and assigned to Grantee includes the obligation on the part of the Grantee to defend and indemnify the City for hazardous waste liabilities arising out of the Grantee's performance under the Franchise Agreement, including those liabilities arising out of Grantee's generation of, arranging for, collecting of, handling of, disposing of or releasing of hazardous wastes under CERCLA, RCRA, or any other pollution or hazardous materials law or regulation. Grantee contends that it has no such obligation under the Franchise Agreement or under the law and disputes the City's contention in its entirety. Consequently, except as is provided in Sections 7 and 25 A (1) above, no agreement has been reached between the City and the Grantee on this indemnification issue and, as such, it is not resolved as part of the Franchise Agreement.
- (2) Grantee agrees that it shall protect, defend with counsel reasonably acceptable to City, indemnify and hold harmless the City, its officers, employees and agents from and against any and all losses, liabilities, fines, penalties, claims, damages, liabilities or judgments, including attorney's fees, arising out of or resulting in any way from

Grantee's exercise of the franchise, unless such claim is due to the sole active negligence or willful misconduct acts of the City, its officers, employees, agents or contractors, or from the City's grant of this franchise to Grantee.

- (3) In addition, Grantee shall defend with counsel reasonably acceptable to the City, indemnify and hold the City harmless from any and all litigation and claims, damages and liabilities arising therefrom, brought to enforce or to challenge the Franchise Agreement, the City's actions thereunder, and/or Grantee's exclusive rights granted thereunder; provided, however, that Grantee's obligations hereunder extend only to actions brought against or by persons not parties to this Agreement; and, provided, further, that Grantee's obligations hereunder do not extend to any litigation or dispute between the City and Mt. View Sanitary District concerning their respective powers to control the collection and disposal of solid waste in the City's corporate limits. Notwithstanding the immediately preceding sentence, Grantee hereby waives any and all claims for damages that it may now or hereafter have relating to any dispute between the City and Mountain View Sanitary District concerning the respective powers of same, and in this regard, Grantee shall not be entitled to any damages or any compensation whatsoever as a result of any reduction of the Franchise Area or termination of this Franchise Agreement due to claims by Mountain View Sanitary District relating thereto.

B. Indemnification of Grantee

The City shall defend, with counsel reasonably acceptable to Grantee, indemnify and hold Grantee harmless from any and all fines, penalties and assessments levied against or threatened to be levied against the City and/or Grantee for the City's failure to meet the requirements of AB 939, its amendments or any successor legislation and/or all rules and regulations promulgated thereunder if said failure is due to the sole active negligence or willful misconduct of the City, including but not limited to the City's failure to adopt source reduction and recycling elements mandated under AB 939.

C. AB 939 Indemnification

- (1) In addition, Grantee shall defend with counsel reasonably acceptable to the City, indemnify and hold the City harmless from any and all fines, penalties and assessments levied against or threatened to be levied against the City for the City's failure to meet the requirements of AB 939, its amendments or any successor legislation and/or all rules and regulations promulgated thereunder if said failure results from Grantee's failures as described in Exhibit "C" to the Consent to Assignment of Franchise Agreement between the City and the Grantee dated March 30, 1992, or its failures to comply with this Franchise Agreement and/or Grantee's failure to comply with said laws, rules or regulations, including but not limited to failing to timely supply to the City the reports and information required by the City in order to comply with AB 939.
- (2) In addition, Grantee will defend, indemnify and hold the City harmless and pay all fines, assessments and penalties resulting from the City's failure to comply with AB 939, its amendments and successor legislation, and/or all regulations and rules promulgated thereunder to the extent said failure is a consequence of the City's residents' failure to participate in the solid waste programs and/or services made available to them by the City and/or Grantee; provided, however, that this indemnity and hold harmless shall not apply unless, upon the request of Grantee, the City Council has passed a resolution providing for an increase in Grantee's rates to fully compensate Grantee for its payments hereunder, which resolution shall become effective upon Grantee's payment of such fines, assessments and penalties.

D. Workers' Compensation Insurance

Grantee shall obtain and maintain in full force and effect throughout the entire term of this Franchise Agreement full workers' compensation insurance in accord with the provisions and requirements of the Labor Code of the State of California. Endorsements that implement the required coverage shall be filed and maintained with the City Clerk throughout the term of this Franchise Agreement. Such policy shall provide that it will not be cancelled without first giving thirty (30) days written notice to the City. Said Worker's Compensation insurance shall include the following endorsement: "All rights of subrogation are hereby waived against the City, its officers and employees when acting within the scope of their appointment or employment."

E. General Liability Insurance

Grantee shall obtain and maintain in full force and effect throughout the entire term of this Franchise Agreement a Broad Form Comprehensive General Liability (occurrence) policy with a minimum limit of FOUR MILLION DOLLARS (\$4,000,000.00) aggregate and TWO MILLION DOLLARS (\$2,000,000.00) per occurrence for bodily injury and property damage, with any self-insured retention not exceeding \$200,000.00 per occurrence. Said insurance shall protect Grantee and City from any claim for damages for bodily injury, including accidental death, as well as from any claim for property damage which may arise from ongoing and completed operations performed pursuant to this Franchise Agreement, whether such operations be by Grantee itself, or by its agents, employees and/or subgrantees. Copies of the policies or endorsements evidencing the above required insurance coverage shall be filed with the City Clerk. Endorsements are required to be made a part of all of the following insurance policies required by this Section:

- (1) "The City, its employees, agent, Grantees and officers, are hereby added as insureds as respects liability arising out of activities performed by or on behalf of Grantee."
- (2) "This policy shall be considered primary insurance as respects any other valid collectible insurance the City may possess including any self-insured retention the City may have, and any other insurance the City does possess shall be considered excess insurance and shall not contribute with it."
- (3) "This policy shall act for each insured, as though a separate policy had been written for each. This, however, will not act to increase the limit of liability of the insuring company."
- (4) "Thirty (30) days' prior written notice by certified mail, return receipt requested, shall be given to the City in the event of suspension, cancellation, reduction in coverage or in limits or non-renewal of this policy for whatever reason. Such notice shall be sent to the City Clerk."

The limits of such insurance coverage, and companies, shall be subject to review and approval by the City Manager every year and may be increased at that time and match the coverage provided by the City's own liability insurance policy. The City shall be included as an additional insured on each of the policies, or policy endorsements.

F. Modification

The insurance requirements provided herein may be modified or waived in writing by the City Council, provided the City Council determines that such waiver or modification does not unreasonably increase the risk of exposure to the City, including the fact that the parent of Grantee may be self-insured up to a certain acceptable amount.

SECTION 26 - GENERAL

PROVISIONSA. Force Majeure

Grantee shall not be in default under this Franchise Agreement in the event that the collection, transportation and/or disposal services of Grantee are temporarily interrupted or discontinued for any of the following reasons: riots, wars, sabotage, civil disturbances, insurrection, explosion, natural disasters such as floods, earthquakes, landslides and fires, or other catastrophic events which are beyond the reasonable control of Grantee. Events of force majeure and "other catastrophic events" do not include labor disturbances, the financial inability of the Grantee to perform each and every obligation of Grantee or failure of the Grantee to obtain any necessary permits or licenses from other governmental agencies or Grantee's inability to obtain or maintain the right to use the facilities of any public utility where such failure is due solely to the acts or omissions of the Grantee.

(1) Labor Disturbance

Notwithstanding anything in subsection A above to the contrary, in the event a labor disturbance interrupts collection, transportation and/or disposal of solid waste or Recyclables by Grantee as required under this Franchise Agreement, City may elect to exercise its rights under Section 13 of this Franchise Agreement only upon the expiration of 14 calendar days from the commencement of a service interruption due to a labor disturbance. "Labor disturbance" includes, without limitation, strikes, lockouts, sick-outs, or similar actions.

B. Independent Contractor

Grantee is an independent contractor and not an officer, agent, servant or employee of City. Grantee is solely responsible for the acts and omissions of its officers, agents, employees, Grantees and subgrantees, if any. Nothing in this Franchise Agreement shall be construed as creating a partnership or joint venture between City and Grantee. Neither Grantee nor its officers, employees, agents or subgrantees shall obtain any rights to retirement or other benefits which accrue to City employees.

C. Pavement Damage

Notwithstanding the Franchise Fee, community impact payment specified in Section 3 B of the Restated and Amended Franchise Agreement Between City of Martinez and Republic Services of Contra Costa County (Solid Waste) of even date, and AB939 and Climate Action Plan support payments specified in Section 3 B of this Franchise Agreement, Grantee shall be responsible for any extraordinary damage to City's driving surfaces, whether or not paved, resulting from the weight of vehicles providing collection services at the location of bins and containers on public property. This Franchise Agreement does not purport to affect, in any way, Grantee's civil liability to any third parties.

D. Property Damage

Notwithstanding the Franchise Fee, community impact payment specified in Section 3 B of the Restated and Amended Franchise Agreement Between City of Martinez and Republic Services of Contra Costa County (Solid Waste) of even date, and AB939 and Climate Action Plan support payments specified in Section 3 B of this Franchise Agreement, any physical damage caused by the negligent or willful acts or omissions of employees, Grantees or subgrantees of the Grantee to private or public property shall be repaired or replaced by Grantee, at Grantee's sole expense.

E. Right of Entry

Grantee may assume, until receipt of written notice revoking permission to pass is delivered to Grantee, to enter or drive on any private street, court, place, easement or other private property for the purpose of collecting or transporting solid waste pursuant to this Franchise Agreement.

F. Law to Govern: Venue

The law of the State of California shall govern this Franchise Agreement. In the event of litigation between the parties, venue in state trial courts shall lie exclusively in the County of Contra Costa. In the event of litigation in a U. S. District Court exclusive venue shall lie in the Northern District of California.

G. Fees and Gratuities

Grantee shall not, nor shall it permit any agent, employee or subgrantee employed by it to, request, solicit, demand or accept, either directly or indirectly, any compensation or gratuity for the collection of solid waste otherwise required to be collected under this Franchise Agreement.

H. Prior Agreements and Amendment

No amendment of this Franchise Agreement shall be valid unless in writing duly executed by the parties. Except as to Exhibit "C" to Consent to Assignment of Franchise Agreement dated March 30, 1992, and as to the Consent to Franchise Assignment dated March 3, 1999, by and between the City, the Grantee and Browning-Ferris Industries of California, Inc., this Franchise Agreement contains the entire agreement between the parties and no promises, representations, warranty or covenant not included in this Franchise Agreement have been or are relied upon by either party. This Franchise Agreement is intended to and does supersede and replace the January 4, 1978, and January 14, 1987 agreements between Martinez Sanitary Service and the City, City Resolutions 170-80, 220-81, 154-85, 157-87, 134-89, 175-90 and 74-91, the Second Addendum to Contract Between City of Martinez and Bart Bisio, dba Martinez Sanitary Service executed on March 30, 1992 and the Original Agreement.

I. Compliance with Franchise Agreement

Grantee shall comply with those provisions of the City's Municipal Code which are applicable, and with any and all amendments to such applicable provisions during the term of this Franchise Agreement, subject to Section 1 C.

For the purpose of this paragraph, "immediate family" includes spouses and relatives of the first degree of sanguinity, and their spouses.
